Note: The "Total" column represents responses from students in all grades surveyed. (In order to preserve individual student anonymity, the grade must have a minimum of ten students reporting data. The "Total" sample may contain additional data from grades that did not make the anonymity cutoff, and so may exceed the sum of the individual grade columns displayed.)

Crosstab reports show the number of individuals marking each ethnicity category, whereas profile reports group students marking more than one category as "Multi-racial."
