**Safeguard Your Medication, Safeguard Your Home**  
**Medication Safety Community Conversation**

Wednesday, November 16, 2016 | 6:30PM to 8PM  
Gallagher Board Room, Community Medical Center

*We invite you to attend this FREE community conversation:*

**Safeguard Your Medications, Safeguard Your Home**  
**Wednesday, November 16th, 2016**  
**6:30pm - 8:00pm**  
**Community Medical Campus in the Gallagher Board Room**

Why?

In 48% of ER visits in 2014 for young children who accessed medicine, those medications belonged to a grandparent, aunt, or uncle.

There are 10,000 ER visits yearly for over-the-counter medicine overdose by self-medicating teens

**To keep our community safe,  
your voice and your actions matter!**

Join experts from our community to discuss the importance of medication safety in helping to reduce prescription drug misuse/abuse and deaths. Find out what is currently being done in Missoula and across the State to enhance the safety of our homes and our children and what you can do to help. As a community we can help keep everyone safe from the misuse of medication!

*Safe Kids Missoula and the Missoula Prescription Drug Task Force are sponsoring this free event. Light refreshments will be served.
