2016 Town Hall Meeting Stipends

- SAMHSA is sponsoring its sixth round of Town Hall Meetings to prevent underage drinking for 2016.
- Quick head count of the Block Grant and Partnership for Success communities that would like to go on the recommendation list back to SAMHSA for consideration of a \$500 PLANNING STIPEND (it is a planning stipend...so no food, but could use the funds for promoting the event, paying for a meeting room, etc.).
- Town Hall Meetings for 2016 will need to take place in the spring months, so please factor this into your community plans.
- DFC, STOP grantees and Garrett Lee Smith grantees will receive a direct invite from SAMHSA – so this outreach email is specifically for Block Grant and PFS sites.
